

AQUATICS ADVISORY COMMITTEE REPORT  
REGULAR MEETING  
THURSDAY, AUGUST 13, 2015 AT 1:30 P.M.

A regular meeting of the Aquatics Advisory Committee (AAC) was called to order by the Chairman, Joan R. (Jo) Jones, at 1:30 p.m. on Thursday, August 13, 2015, in the Board Room at Gateway Complex.

Present, in addition to the Chairman, were Brian K. Stack, Vice Chairman, Dale O. Reynolds, Secretary, Norman P. Gorsuch, E.J. Koch, Carol A. Meehan, Judith L. Morton, and Barbara S. Jordan, GRF representative and ex-officio member. Also attending were Mary Lou Delpech, Secretary, and Robert D. Kelso, Director, GRF; and one resident.

A motion was made and was seconded to approve the report of the Committee's regular meeting of July 9, 2015, as presented. The vote on the motion was taken, and the motion CARRIED UNANIMOUSLY.

Report  
Approved  
as  
Presented/

There was much discussion regarding the pool numbers, which reflected a significant decline at Dollar Pool and a modest decline at Hillside Pool. Mr. Reynolds was concerned that the Committee needed to provide more statistical information to explain the decline. Mr. Matheson stated that the numbers weren't really off that much based upon historical experience.

Pool  
Attendance

The Chairman acknowledged the good work Mr. Stack was doing in keeping the Committee's name in the community with the Rossmoor News.

Chairman's  
Report

Mr. Matheson received an e-mail from Shirley A. Bates regarding lane usage at Hillside Pool and the Committee discussed the e-mail.

Corres-  
pondence

The Committee discussed lowering the spa temperature at Del Valle from 103 degrees to 100 degrees. It was decided that the temperature remain at 103 degrees but that an article be put in the Rossmoor News making users aware that they are using the pool at their own risk and should be aware of their personal medical issues.

Spa  
Temperature  
at Del Valle

The Committee discussed the need to have an ultra violet light system for pool sanitation included in the final draft for the Del Valle Complex design.

Ultra Violet  
Light System  
To Be

A motion was made and seconded to include the use of an ultra violet light system for pool sanitation in the final draft for the Del Valle Complex design. The vote on the motion was taken, and the motion CARRIED UNANIMOUSLY.

Included in  
Draft Design  
of Del Valle

It was recommended that the Mission Statement and Key Objectives for the Del Valle Complex be returned to the Subcommittee for revision.

Mission  
Statement  
and Key  
Objectives

There being no further business, the meeting was adjourned at 3:00 p.m.

Adjournment

The next meeting of the Committee will be held on September 10, 2015, at 1:30 pm in the Board Room at Gateway Complex.
