### SENIOR HOUSING RESIDENCY RESTRICTIONS

This addendum sets forth the Senior Housing Residency Restrictions (the "Senior Housing Policy") for Walnut Creek Mutual No. Twenty-Eight (the "Mutual") and the Mutual's policy concerning the age of residents, other occupants, and guests at the Walnut Creek Mutual No. Twenty-Eight condominium project (the "Project"). This Senior Housing Policy is adopted by the Board pursuant to the Mutual's Declaration of Covenants, Conditions and Restrictions (as amended from time to time, the "CC&Rs") and the Mutual's Bylaws (as amended from time to time, the "Bylaws"), and in compliance with applicable federal and California law. This Senior Housing Policy was adopted by vote of the Board of Directors on May 20, 2002 and is effective immediately.

1. Senior Citizen Housing Development. The Project is a senior housing development that is intended to (i) qualify for the "housing for older persons" exemption from the prohibitions on discrimination based on familial status contained in the federal Fair Housing Act, including those provisions adopted pursuant to the Fair Housing Amendments Act of 1988 and the Housing for Older Persons Act of 1995 (the "Federal Act"), (ii) qualify as a "senior citizen housing development" as that term is defined in California Civil Code section 51.3 (the "State Act"), and (iii) otherwise comply with the requirements of the Federal Act and the State Act.

2. Definitions. The terms used in this Senior Housing Policy shall have the definitions set forth in this Section 2. All other capitalized terms that are not defined in this Senior Housing Policy shall have the meanings ascribed to them in the Bylaws unless the context requires otherwise.

A. Qualifying Resident. "Qualifying Resident" means a person fifty-five (55) years of age or older.

B. Qualified Permanent Resident. "Qualified Permanent Resident" shall mean a person who meets either of the following requirements:

(i) The person was residing with the Qualifying Resident prior to the death, hospitalization, or other prolonged absence of, or the dissolution of marriage with, the Qualifying Resident and the person was forty-five (45) years or older, or was a spouse, cohabitant (defined as persons who live together as husband and wife or persons who are domestic partners within the meaning of California Family Code section 297), or person providing primary physical or economic support to the Qualifying Resident; or

(ii) The person is a disabled person (defined as a person who has a disability as defined in Civil Code section 54(b)) or person with a disabling illness or injury (defined as an illness or injury which results in a condition meeting the definition of a disability set forth in Civil Code section 54(b)) who is a child or grandchild of the Qualifying Resident or a Qualified Permanent Resident who needs to live with the Qualifying Resident or Qualified Permanent Resident because of the disabling condition, illness

or injury.

All persons who claim that they provide primary physical or economic support to the Qualifying Resident and are thus Qualified Permanent Residents have the burden of proving that to the reasonable satisfaction of the Mutual. Where it is asserted that a particular person provides primary physical support, the Qualifying Resident or the Qualifying Resident's agent may be required to provide one or both of the following to the Mutual: (1) a statement from the Qualifying Resident's physician, other medical provider, case worker or social worker, and (2) an explanation of the type and amount of physical support provided to the Qualifying Resident and a comparison to the support provided by others and the activities that the Qualifying Resident may undertake without assistance. Where it is claimed that a particular person provides primary economic support, the Qualifying Resident or his or her agent may be required to show (1) that the person claiming Qualified Permanent Resident has independent means and is able to support himself or herself without assistance from the Qualifying Resident, and/or (2) that the financial support provided to the Qualifying Resident by such person exceeds the income and other financial support received by the Qualifying Resident. Absent satisfactory proof, any such persons will be deemed to be Permitted Health Care Residents if they otherwise satisfy the requirements of Section 2.C. below.

C. Permitted Health Care Resident. "Permitted Health Care Resident" shall mean a person hired to provide live-in, long-term, or terminal health care to a Qualifying Resident, or a family member of the Qualifying Resident providing that care to the Qualifying Resident. The care provided by a Permitted Health Care Resident must be substantial in nature and must provide either assistance with necessary daily activities or medical treatment, or both.

D. Unit. "Unit" shall mean a dwelling unit or manor located in the Project.

3. Generally, at Least One Qualifying Resident Must Permanently Occupy the Unit. Subject to Section 4 below and except as specifically otherwise provided in Sections 5 and 6, each Unit, if occupied, must be occupied by at least one (1) Qualifying Resident and all other persons occupying a Unit must be Qualified Permanent Residents or, as specified below, a Permitted Health Care Resident, or a person under fifty-five (55) years of age whose occupancy is permitted under California Civil Code section 51.3(h) or section 51.4(b). Persons commencing any occupancy of a Unit must include a Qualifying Resident who intends to reside in the Unit as their primary residence on a permanent basis.

4. Occupancy by Permitted Health Care Residents. A Permitted Health Care Resident may occupy a Unit during any period that the Permitted Health Care Resident is actually providing live-in, long-term, or hospice health care to a Qualifying Resident for compensation. For the purposes of this Section 4, the term "compensation" shall include the provision of lodging and food in exchange for care. A Permitted Health Care

Resident shall be entitled to continue occupancy, residency or use of the Unit in the absence of the Qualifying Resident from the Unit only if both of the following apply:

A. The Qualifying Resident became absent from the Unit due to hospitalization or other necessary medical treatment and expects to return to the Unit within ninety days from the date the absence began. If it appears that the Qualifying Resident will return within a period of time not to exceed an additional ninety days, and upon written request of the Qualifying Resident or an authorized person acting for the Qualifying Resident, the Board may, in its discretion, allow a Permitted Health Care Resident to remain for a time period longer than ninety days from the date the absence began; and

B. The absent Qualifying Resident, or an authorized person acting for the Qualifying Resident, submits a written request to the Board stating that the Qualifying Resident desires that the Permitted Health Care Resident be allowed to remain in order to be present when the Qualifying Resident returns to reside in the Project.

5. Guests. Notwithstanding the provisions of Section 3 above, a person under fifty-five (55) years of age may temporarily occupy a Unit provided that such person is a guest of the Qualifying Resident or a Qualified Permanent Resident and further provided the temporary occupancy of any one such guest may not exceed a maximum of sixty (60) days in any calendar year, which may be extended with prior approval of the Board.

6. Continued Occupancy by Qualified Permanent Resident. Written notice shall be provided to the Mutual by the Owner or Owner's agent within thirty days (30) of the death or dissolution of marriage, or hospitalization or other prolonged absence of the Qualifying Resident. Notwithstanding the provisions of Section 3 above, upon the death or dissolution of marriage, or upon hospitalization, or other prolonged absence of the Qualifying Resident, any Qualified Permanent Resident shall be entitled to continue to occupy the Unit provided that the Board of Directors determines that such continued occupancy shall not result in less than eighty percent (80%) of the Units being occupied by at least one Qualifying Resident as required by the Federal Act. The provisions of this Section 6 shall not apply to a Permitted Health Care Resident.

7. Cessation of Disability. For any resident who is a Qualified Permanent Resident pursuant to Section 2.B(ii) above, whose disabling condition ends, the Board may require the formerly disabled resident to cease residing in the Project upon such resident's receipt of six (6) months' written notice.

8. Termination of Occupancy of Qualified Permanent Residents. Subject to the hearing requirements set forth in this Section 8, the Board may prohibit or terminate the occupancy of any person who is a Qualified Permanent Resident pursuant to Section 2.B(ii) above if the Board finds, based on credible and objective evidence, that the person is likely to pose a significant threat to the health or safety of others that cannot be ameliorated by means of a reasonable M28 accommodation.

A. The Board must provide thirty (30) days' notice to and opportunity to be heard, which conforms to the requirements of the Bylaws, for the disabled person whose

occupancy is being challenged and reasonable notice to the co-resident parent or grandparent of that person.

A. To preserve privacy, the hearing must be conducted and evidence admitted in a confidential manner pursuant to a closed executive session of the Board. The Board shall give due consideration to the relevant, credible and objective information provided in the hearing.

B. The affected persons shall be entitled to have present at the hearing an attorney or any other person authorized by the affected persons to speak on their behalf or assist them in the matter.

9. Publication and Adherence to Policy. In compliance with the Federal Act, the Mutual shall publish and adhere to this Senior Housing Policy setting forth the Mutual's Senior Housing Residency Restrictions which demonstrate that the Project is intended, and operated for, occupancy by Qualifying Residents. The Mutual shall also comply with the federal rules and regulations for verification of occupancy adopted pursuant to the Federal Act.

10. Burden of Proof. All persons claiming status as a Qualifying Resident, Qualified Permanent Resident or Permitted Health Care Resident have the burden of proving that they meet the qualifications for the applicable status to the satisfaction of the Board.

11. Age Verification. The record owner of the membership in the Mutual or such owner's agent shall certify to the Mutual that such Unit is or will be occupied in the manner set forth in these Senior Housing Residency Restrictions (i) when or before the Member becomes the record owner of a membership in the Mutual, (ii) when or before there is any change in the occupants of the Unit, and (iii) at such other times as may be requested by the Mutual. Such certification shall be supported by reliable documentation of the age of each of the occupants of such Unit. The following documents are M28 acceptable as proof of age:

- A. Valid state-issued driver's license or identification card;
- B. Medicare card;
- C. Birth certificate;
- D. Passport;
- E. Immigration card;
- F. Military identification; or
- G. State, local, national or international official documents containing a birth date of comparable reliability.

12. Residency Verification. Every Qualifying Resident and Qualified Permanent Resident, if any, who occupies a Unit shall, upon the Mutual's request, certify in writing that the Unit is their primary residence. Such certifications shall be provided (i) when or before the Member becomes the record owner of a membership in the Mutual, (ii) when or before there is any change in the occupants of the Unit, and (iii) at such other times as may be requested by the Mutual. Each such certification shall be supported by

reliable documentation M28 acceptable to the Mutual. The following documents are M28 acceptable as proof of residency:

- A. Valid state-issued driver's license or identification card;
- B. Voter's registration card or other evidence of voter's registration;
- C. Medicare card;
- D. Income tax return filed with the State of California; or
- E. Utility bills;
- F. Motor vehicle registration card(s); and
- G. Other documents of comparable reliability showing residency.

13. Verification of Status as Qualified Permanent Resident. Where a Unit is occupied by a Qualified Permanent Resident, the record owner of the membership in the Mutual or such owner's authorized agent shall certify to the Mutual, upon Mutual's request, that such Qualified Permanent Resident does in fact meet the definition of "Qualified Permanent Resident" set forth in Section 2.B. above. Such certification shall be supported by reliable documentation M28 acceptable to the Mutual in its sole discretion and shall be provided to Mutual (i) before the Qualified Permanent Resident takes occupancy, and (ii) at such other times as may be requested by the Mutual.

14. Verification of Status as Permitted Health Care Resident. Where a Unit is occupied by a Permitted Health Care Resident, the record owner of the membership in the Mutual or such owner's authorized agent shall certify to the Mutual, upon Mutual's request, that such Permitted Health Care Resident does in fact meet the definition of "Permitted Health Care Resident" set forth in Section 2.C. above. Such certification shall be supported by reliable documentation M28 acceptable to the Mutual in its sole discretion and shall be provided to Mutual (i) before the Permitted Health Care Resident takes occupancy, and (ii) at such other times as may be requested by the Mutual.

15. Implementation of Further Senior Housing Restrictions; Amendment. The Board shall have the power and discretion to take any action the Board deems necessary to implement further rules and regulations and amend and modify these Senior Housing Residency Restrictions to assure compliance with the Federal Act or the State Act and any rules or regulation adopted thereunder, as such statutes, governmental rules and regulations may be amended from time to time.

### Voting and Election Rules

These Voting and Election Rules were adopted by the board via unanimous written consent executed before July 1, 2006 and are intended to comply with the requirements of Civil Code section 1363.03(a). 1.1 Access to Mutual Media – Candidates for the Board. The board may but is not required to make Mutual media (i.e., publication in the Mutual's newsletter or newspaper, or other notices mailed or delivered by the Mutual to the owners or the Units/Manors) available to qualified candidates running for election to the board for purposes that are reasonably related to the election in which that candidate is running. If the board allows any candidate access to Mutual media, then all qualified candidates shall be allowed equal access to the same media.

1.2 Access to Mutual Media – Other Matters. If the board utilizes Mutual media to advocate a point of view on any matter (other than election of directors) that requires member approval, or allows any member access to Mutual media for that purpose, then all members advocating a different point view shall be allowed equal access to the same media. The board shall not be required to allow access to more than one member advocating the same point of view.

1.3 "Equal Access". "Equal access" shall mean, in the case of written statements, publication of written statements not to exceed a predetermined number of words and, in the case of statements made at Mutual-sponsored forums by candidates for election to the Board, proponents and opponents of measures under consideration, statements not to exceed a predetermined length of time. The board shall not edit or redact any statement, but shall not be required to publish any statement that exceeds the predetermined length restrictions.

1.4 Responsibility for Content. All statements published in Mutual media pursuant to the "equal access" rules must identify the author or proponent. No anonymous statements will be permitted. The author and/or proponent of any statement or point of view shall be solely responsible and liable for the content of their statements. The Mutual shall not be responsible or liable for the content of any statement published pursuant to the "equal access" rules. Statements on behalf of candidates for election to the board shall be limited to personal statements by the candidate concerning the candidate's qualifications to serve on the board.

#### Article 2

#### VOTING BY SECRET BALLOTS

All voting by the members shall be conducted by secret ballot using a "double envelope system" as described in Civil Code section 1363.03(e). The ballot and envelopes shall be mailed or delivered to the members entitled to vote in the vote or election.

### **Article 3 INSPECTORS OF ELECTION**

3.1 Appointment of Inspectors. Whenever there is a membership vote or election, the board shall appoint one or three inspectors of election.

3.2 Qualification of Inspectors of Election. Inspectors may be any persons the board reasonably believes to be independent with respect to the matter or matters being voted on and may include the Mutual's manager (i.e., staff of Mutual Operations Division or "MOD"), accountant or legal counsel, or members of the Mutual, but may not be a member of the board or a candidate for election to the board or a family member of a current member of the board or of a candidate.

3.3 Indemnification of Inspectors; Liability Insurance. Inspectors of election shall be deemed to be agents of the Mutual for purposes of Corporations Code section 7237 and shall be entitled to indemnification by the Mutual to the fullest extent provided by law. As provided in Corporations Code section 7237(i), the Mutual shall have the power to purchase and maintain insurance on behalf of any agent of the Mutual against any liability asserted against or incurred by the agent in his or her capacity as an agent of the Mutual or arising out of the agent's status as such, whether or not the Mutual would have the power to indemnify the agent against such liability under the provisions of Corporations Code section 7237.

### **Article 4 CANDIDATES FOR THE BOARD**

4.1 Qualification of Candidates. Candidates for the board must be members in good standing and residents of the Walnut Creek Mutual No. Twenty-Eight condominium project (Amended Bylaws Section 5.2) who have not been declared of unsound mind by a final order of court or been convicted of a felony (Corporations Code section 7221(a)). Co-owners of one or more manors/units may not serve on the board at the same time (Amended Bylaws Section 5.2). "Member" means the record Owner (a person who holds legal title to the property, i.e., is named in the deed for the property).

4.2 Nominations. The board shall publish a notice recruiting candidates for the board and stating the deadline for receipt of nominations. Any member who satisfies the qualifications may place his or her name in nomination for the board by giving written notice to the board before the published deadline for receiving nominations. In addition, the board may appoint a nominating committee to nominate qualified candidates (Amended Bylaws Section 6.1.2).

### **Article 5 MEMBER VOTING RIGHTS**

5.1 Qualification for Voting. Only members in good standing shall be allowed to vote (Amended Bylaws Section 3.3). A member shall be deemed to be in good standing unless, after notice to the member and an opportunity for hearing, the board has found the member to be not in good standing and has so notified the member in accordance with Civil Code section 1363(h). As long as any co-owner of a unit/manor is not in good standing, no vote shall be permitted for the unit/manor.

5.2 Voting Power of Each Membership. Only one vote shall be cast for each unit/manor (Amended Bylaws Section 3.3). Once a ballot is received by the inspector of election, it may not be rescinded. Cumulative voting is not permitted in the election of directors (Amended Bylaws Sections 5.4 and 6.2).

5.3 Election by Acclamation. If, as of the published deadline for receiving nominations, the number of qualified candidates for election to the board is not more than the number of directors to be elected, then the qualified candidates shall be declared elected and written notice of the election shall be given to the members.

5.4 Proxies. As defined in Corporations Code section 5069, "proxy" means a written authorization signed by a member or the member's attorney-in-fact giving another person or persons power to vote on behalf of such member. In any election or vote of the members conducted by the Mutual, only official ballots issued by the Mutual shall be counted as votes. Proxies are not ballots and are not valid as votes in any election or vote conducted by the Mutual.

## **Appendix D**

### **ELECTRIC VEHICLE CHARGING STATION POLICY**

#### **A. GENERAL**

1. This Electric Vehicle Charging Station Policy (“Policy”) is intended to comply with Civil Code section 4745 which reflects the State of California’s policy of encouraging the use of Electric Vehicle Charging Stations (EVCS).
2. It is the policy of the Mutual to comply with Civil Code section 4745 by approving, whenever reasonably possible, applications for the installation of EVCS and electric wiring and related components necessary to provide electricity sufficient to power approved EVCS installed in assigned carports, Exclusive Use Common Area parking spaces or Common Area Parking Spaces. Such installation would provide “hard wire” connections to EVCS as opposed to providing for plug outlets to supply power to portable charging devices.
3. All capitalized terms that are not otherwise defined in this Policy shall have the meanings ascribed to them in the Bylaws.

#### **B. REQUIREMENTS**

1. Any member of the Mutual who proposes to install an EVCS (“Member” or “Applicant”) shall submit an Alteration Application, follow the procedures set forth in the Mutual’s Alteration Policy (contained in Section 1.0 of the Mutual’s Policy Manual) for physical modifications to the property, and procure an Alteration Permit prior to installation of the EVCS.
2. The following are the submittals that must accompany the Alteration Application for installation of an EVCS:
  - a. Fully filled out and executed Alteration Application;
  - b. Plans and specifications clearly indicating where the EVCS is to be located, the brand or manufacturer, technical specifications, and dimensions (i.e., height, width, weight, etc.) as well as structural requirements;
  - c. An acknowledgement satisfactory to Mutual that the Member will procure a homeowner liability insurance policy providing \$1 million in coverage and will provide satisfactory evidence to the Mutual, within fourteen (14) days of the Mutual’s approval of the EVCS, that the Mutual has in fact been named as an additional insured under the Applicant’s homeowner liability insurance policy providing \$1 million in coverage with a right of notice of cancellation; and
  - d. A fully executed EVCS Installation and Maintenance Agreement substantially in the form attached hereto as Exhibit “A”, binding Applicant and his or her successors to:
    - i. indemnify and hold harmless the Mutual;

- ii. continue the \$1 million liability insurance and additional insured endorsement in effect;
  - iii. pay for the electricity usage associated with the EVCS;
  - iv. be responsible for costs of damage to the EVCS and related property from the installation, maintenance, repair, removal, or replacement of the EVCS;
  - v. be responsible for costs of maintenance, repair and replacement of the EVCS; and
  - vi. disclose to prospective buyers the existence of the EVCS and the related responsibilities of the Member.

### **INVESTMENTS**

To comply with California Civil Code § 1365.5 and Section 6.16 of the CC&Rs, separate bank/investment M28 accounts will be maintained for operating and reserve funds. Investments may utilize any of the following instruments and should maintain compliance with any regulatory agencies or agreements.

Assets to be utilized may include the following:

1. U.S. DIRECT OBLIGATIONS are assets issued directly by the U.S. Government in the form of treasury instruments and include T-bills of varying maturities. These assets are backed by the full faith and credit of the U.S. Government.
2. U.S. GOVERNMENT AGENCIES SECURITIES are debt obligations that result from lending programs of the Federal Government. Issues have de-facto backing of the government, which provide a strong degree of safety. Despite this assurance, these issues are not backed by the full faith and credit of the U.S. Government but are instead relationship backed assets (due to the nature of the obligations as issues of government agencies).
3. CERTIFICATES OF DEPOSIT are issues provided by financial institutions of varying time frames providing higher interests than non-time rest
4. MONEY MARKET ACCOUNTS are interest-bearing checking accounts with interest rates normally associated with short-term Treasury Bill rates. Money Market Deposit accounts may provide for insurance by the Federal Deposit Insurance Corporation (FDIC), or Federal Savings and Loan Insurance Corporation (FSLIC). Money Market Deposit accounts are also provided by non-insurance backed organizations which generally pay slightly higher yields.
5. REPURCHASE AGREEMENTS are contractual arrangements between a financial institution or dealer and an investor. The investor places the funds for a certain number of days at a stated yield. In return, the institution takes title to a given block of securities as collateral. At maturity, the securities are repurchased and the funds are repaid with interest.

### **The Davis-Stirling Act Civil Code Section 5370**

#### **NOTICE ASSESSMENTS AND FORECLOSURE**

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

#### **ASSESSMENTS AND FORECLOSURE**

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial foreclosure. For liens recorded on or after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars (\$1,800).

For delinquent assessments or dues in excess of one thousand eight hundred dollars (\$1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code inclusive) In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest.

The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common areas damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code) The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

## **PAYMENTS**

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise. An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure. An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

## **MEETINGS AND PAYMENT PLANS**

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code)
