

Mutual 61 Emergency Preparedness Drill

Saturday, July 11 (DATE CORRECTED!)

at 10 a.m.

Entry 8 Meadow and Supply Shed

Bring chair, sturdy shoes, hat, water and a snack

- We will review and set up key emergency supplies from our shed.
- We will use Entry 8 as a drill area to show people how to mark their home that they are OK or NEED HELP.
- Review how we can check on our neighbors using a mutual map and roster stored at home or in our car, and in the emergency shed
- Practice calling for help on FRS radios to control, and on a different channel within our mutual. Test for successful transmission areas.
- Mark our entries with Green or Red tape indicating OK or need help.
