Sketch project here, or attach photos or plans, paint color chips, renderings, etc.:

All improvements require notification of neighbors visually affected or otherwise impacted by the requested improvement, by sign-off on the application. Neighbor's agreement is NOT A SOLE condition for the approval of plans by the Committee. Further, the Committee is not required to deny a set of plans based on the disapproval of affected neighbors. Neighbors who disagree with the proposed improvement are invited to submit their concerns in writing to the Committee. No work shall commence until the written approval has been received. The homeowner shall determine if further Rossmore or city or other permits are required, and shall pay for same. Any owner funded, BrightView projects are to be prepaid and attached to bid approval before work can be scheduled.
