

Subject: Flyers and Petitions

Purpose: To Establish a Policy to Control Placement of Flyers and Petitions by Members on GRF Property

1. The placement of petitions or flyers in Clubhouses or on Foundation property is subject to approval by the Foundation.
2. Only GRF Members may place approved flyers or petitions.
3. Approved flyers or petitions may be left in Foundation facilities for circulation on a first-come first-served basis, provided placement does not interfere with normal usage of space, damage any property, or litter the grounds.
4. Approved flyers and petitions may be attached to clipboards or placed on suitable counters as space allows, but may not be attached to walls, posts, poles or other structures, nor may they be placed on vehicles on GRF property.
5. Only flyers or petitions for non-commercial purposes may be placed on Foundation property.
6. No advertising of outside contractors, vendors, or solicitation of any outside cause or business is allowed.
7. Placement of flyers or petitions may be limited by the Foundation based on space availability.
8. GRF reserves the right to remove any material that GRF determines, in its sole discretion, to be inappropriate or offensive, including but not limited to comments of a political nature or which may be construed as discriminatory, defamatory, hate speech, or propaganda.
9. Each page of a flyer or petition must contain the name and contact information for the organization or party placing the materials.
10. Flyers and petitions must include a date of placement and must be removed by the earlier of either the day after the event/deadline, or thirty calendar days from the date of placement.
11. The person placing a petition or flyer is responsible for any damage to property, including but not limited to, nail holes or staples, and for removal of any litter that results from such placement.
12. Active petitioning on GRF property is only permitted to the extent it does not interfere with the normal use, enjoyment, or safe operation of the facility or program(s) being

conducted in or at the facility. GRF may require petitioners to relocate if, in its sole discretion, it determines the petitioners are interfering with use, enjoyment, or safe operation of the facility.
