

Subject: Community Facilities

Purpose: To Establish Rules Extending the Use of Community Facilities to the CEO and Staff Reporting Directly to the CEO

1. The Chief Executive Officer and senior staff reporting directly to the Chief Executive Officer shall be permitted, unless otherwise expressly prohibited, to use the community facilities, with guest privileges on a limited use basis.
2. These staff members shall be allowed to use the community facilities (Golf Course, Fitness Center, Swimming Pools, etc.) so that in their management role they may gain a better understanding of the residents' experience while using the facilities and evaluate their staff's service delivery performance.
3. Designated staff must: abide by all rules and regulations that apply to residents; they must be appropriately attired; and, if applicable, pay the same fees that apply for residents. Any accompanying guests must pay prevailing guest fee charges.
4. Other Foundation employees and employees of contractors or businesses operating in Rossmoor shall only be allowed to use a community facility as a guest and in the company of a resident, subject to payment of appropriate guest fees.
