

Subject: Traffic Rules and Regulations

Purpose: To Establish Rules for Vehicle Operation

Provisions: These rules apply to all persons operating Vehicles of any type, including, but not limited to motorcycles, golf carts, and bicycles on any street or community facility parking area in Rossmoor.

1. Definitions

The term "Vehicle" means any device by which any person or property may be propelled, moved, or drawn upon a roadway, including but not limited to automobiles, motorcycles, golf carts, recreational vehicles and bicycles. *Notwithstanding the foregoing, the term Vehicle shall not include any personal conveyance generally required to assist individuals whose mobility would otherwise be impaired, regardless of the absence of any diagnosed disability requiring such use, including without limitation, motorized and non-motorized wheelchairs, personal scooters, child strollers, or similar devices.*

2. General Requirements

- a. The California Vehicle Code as currently constituted shall apply to all persons operating Vehicles at all times inside Rossmoor.
- b. Vehicles of any kind, including but not limited to golf carts and bicycles, may not be operated on sidewalks. An exception to this requirement exists on an as required basis for emergency, utility and maintenance Vehicles on official business.

3. Speed Limits

The speed limit on all streets may not exceed 25 miles per hour.
